

## There Is No Plan “B”?

**Text: John 6:60-69**

### Introduction:

1. Have you ever stopped to think that Jesus did not have a plan “B” if His plan “A” were rejected?
2. Simon Peter understood the implications of this when he told Jesus that there was nowhere else to go for eternal life (**John 6:60-69**).
3. Consider Jesus’ rejection of Peter’s alternative suggestion in **Matthew 16:22-24**; any other plan would have been from Satan!
4. Additionally, what about the multitude’s desire for another plan in **John 6:26-31**?
5. Jesus was uncompromising in pressing the Father’s agenda.
